

Declaration Released by Jameson Cigar Co.

Jameson Cigar Co. is pleased to announce the release of our latest creation, Declaration.

A cigar created with purpose and passion, Declaration embodies our independent spirit and inspires a statement about personal liberty, "Smoke to be Free."

A showcase of Dominican tobaccos, Declaration features an aged Habano '98 wrapper paired with a Criollo '98 binder and select filler tobaccos from the prime growing regions of the Dominican Republic. The unabashed enthusiast can expect deep, bold flavors and a memorable medium-full bodied smoking experience. Declaration will initially be available in 21-count boxes of a single size, Iniquity (5.5x50), and retail for \$6.00.

To celebrate the launch of Declaration, Jameson Cigar Co. will be giving away a custom Forteleza humidor, handcrafted in conjunction with Vanderburgh Humidors. In addition to being filled with twenty-one Declaration Iniquity, the heirloom piece features a 3/4" solid bubinga top, 3/4" tiger maple body, solid Spanish cedar lining, and imported "Night Sky" polished granite base. A truly one of a kind masterpiece this package is valued at over \$1675.00.

Entry is free and can be completed by registering for our newsletter at www.jamesoncigars.com.
